Re: 2006 Georgie Awards

Dear John,

I would like to take this opportunity to congratulate you for being awarded the 2006 Georgie award for your Nicola Project. I understand your project received the Best Single Family Home Under 2,000 sq. Ft. award. Your exceptional contribution to our city's spirit and identity is such a great benefit to those you help as well as our community.

This is a huge accomplishment and you should be commended on your achievement. Your company has developed many opportunities for people in this community and your standard of excellence is exemplary. I commend your dedication.

Again, congratulations on your awards and keep up the great work. Please feel free to contact me if there is anything I can help your organization with.

Sincerely,
